NOTICE OF PROPOSED RULEMAKING

Adopted: March 23, 2005

Released: March 25, 2005

Comment Date: May 12, 2005

Reply Comment Date: May 27, 2005

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a multiple docket *Notice of Proposed Rule Making* setting forth two separate proposals to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.¹ The petitioner for each proposal has stated that it will apply for each requested channel, if allotted. Each proposal warrants consideration because it complies with our technical requirements and would serve the public interest.

2. This is a multiple docket *Notice of Proposed Rule Making* issued in response to a Commission *Public Notice* released October 2, 1998 (DA 98-1987). We are combining separate FM allotment proposals into a single *Notice of Proposed Rule Making*. Each proposal has its own docket and rule making number and the Commission's Reference Information Center will maintain a separate file for each docket. As discussed in the *Public Notice*, this procedure will conserve Commission resources and expedite the processing of FM allotment petitions for rule making by avoiding duplicative actions. We request comments and/or counterproposals to the following proposals:

A. MB Docket No. 05-153; RM-11223

Petitioner: Dana J. Puopolo
2134 Oak Street, Unit C
Santa Monica, CA 90405

¹ 47 C.F.R. 73.202(b).

Proposal: Allot Channel 289A at Steamboat Springs, Colorado, as that community's third FM commercial broadcast service.²

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Steamboat Springs, Colorado	245C2, 255A	245C2, 255A, 289A

Coordinates: 40-30-00 NL and 106-54-00 WL

Additional Information: The allotment requires a site restriction of 6.1 kilometers (3.8 miles) west to avoid a short-spacing to the application site of FM Station KJAC, Channel 288C1, Timnath, Colorado.

FCC Contact: Rolanda F. Smith (202) 418-2180

B. MB Docket No. 05-154; RM-11224

Petitioner: Katherine Pyeatt
6655 Aintree Circle
Dallas, Texas 75214

Proposal: Allot Channel 290A at Victoria, Texas, as that community's sixth FM commercial broadcast service.³ To accommodate this allotment, Petitioner also requests the relocation of vacant Channel 291A at Refugio, Texas.

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Victoria, Texas	222A, 236C1, 254C1, 265A, 300C1	222A, 236C1, 254C1, 265A, 290A, 300C1

Coordinates: 28-52-40 NL and 96-59-54 WL

Additional Information: The allotment requires a site restriction of 8.1 kilometers (5.0 miles) north to avoid a short-spacing to the license site of FM Station KVIC, Channel 236C3, Victoria, Texas. See BLH-2000501ACB.

The proposed new site for Channel 291A at Refugio, 28-20-00 NL and 97-23-45 WL, is in compliance with the Commission's spacing requirements. This site is 12.3 kilometers (7.6 miles) west of the community, whereas the original site for Channel 291A at Refugio is 8.1 kilometers (5.0 miles) northwest of the community.⁴ Petitioner is required to provide the public interest benefits that could be derived from the site change of the vacant allotment at Refugio. We further seek any additional comments with regards to this proposal.

Both allotments are located within 320 kilometers (199 miles) of the U.S.-Mexican border. Therefore, Mexican concurrence has been requested for these allotments.

² AM Station KBCR, Station KBCR-FM, noncommercial Stations KTAH and KLBV and vacant Channel 255A are assigned to Steamboat Springs.

³ AM Stations KVVN, KNAL, noncommercial Stations KAYK, KXBJ, KVRT, and FM Stations KQVT, KVIC, KTXN-FM, and KEFG are licensed to Victoria.

⁴ The existing coordinates for the vacant Channel 291A at Refugio are 28-21-58 NL and 97-19-11 WL.

FCC Contact: Rolanda F. Smith (202) 418-2180

3. Comments, reply comments, counterproposals and other pleadings filed in response to this multiple docket *Notice of Proposed Rule Making* should reference *only* the specific docket to which the filing pertains. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required in paragraph 2 of the Appendix before a channel will be allotted.

4. Pursuant to 47 C.F.R. Sections 1.415 and 1.419, interested parties may file comments on or before May 12, 2005, and reply comments on or before May 27, 2005, and are advised to read the *Appendix* for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW, TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, as listed above for each docket.

5. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.⁵ This document does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-13. In addition, therefore, it does not contain any proposed information collection burden "for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, *see* 44 U.S.C. 3506(c)(4).

6. For further information concerning a proceeding listed above, contact the FCC contact listed for that proceeding. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision in the applicable docket is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in particular docket unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

7. Parties who choose to file by paper must file an original and four copies of each filing. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Natek, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, N.E., Suite 110, Washington, D.C. 20002. The filing hours at this location are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building. Commercial overnight mail (other than U.S. Postal Service Express Mail or Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12th Street, SW, Washington, D.C. 20554. **All filings must be addressed to the Office of the Secretary, Federal Communications Commission. Any filing**

⁵ See *Certification that Section 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend 47 C.F.R. Sections 73.202(b), 73.504 and 73.606(b)*. 46 FR 11549 (February 9, 1981).

that is not addressed to the Office of the Secretary will be treated as filed on the day it is received in the Office of the Secretary. *See* 47 C.F.R. § 1.7. Accordingly, failure to follow the specified requirements may result in the treatment of a filing as untimely.

FEDERAL COMMUNICATIONS COMMISSION

John A. Karousos
Assistant Chief
Audio Division
Media Bureau

Attachment: Appendix

APPENDIX

1. Pursuant to authority found in 47 U.S.C. Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b), and 47 C.F.R. Sections 0.61, 0.204(b) and 0.283, IT IS PROPOSED TO AMEND the FM Table of Allotments, 47 C.F.R. Section 73.202(b), as set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See 47 C.F.R. Section 1.420(d).)

(b) With respect to petitions for rule making which conflict with the proposals in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in 47 C. F.R. Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. Such comments and reply comments shall be accompanied by a certificate of service. (See 47 C.F.R. Section 1.420(a), (b) and (c).) Comments should be filed with the Office of the Secretary, Federal Communications Commission, 445 12th Street, S.W., TW-A325, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of 47 C.F.R. Section 1.420, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.

6. Public Inspection of Filings. All filings made in this proceeding will be available for examination by interested parties during regular business hours in the Commission's Reference Information Center (Room CY-A257) at its headquarters, 445 12th Street, S.W., Washington, D.C.
